

TECHNICAL SUMMARY SHEET

ATS - Automatic Transfer Switch LB/ATS 400/230

| | |
|----------------------------|--|
| Type Ref | ATS 400/230 |
| Description | Automatic Transfer Switch - Two power paths |
| Max Voltage | 400v three phase, 230v single phase 50/60 hz |
| Max Current | 32AMP |
| Power input | Plug 400V 32A or 6x plugs C20 |
| Power output | Socket 400V 32A or 6x Sockets C19 |
| Change-over operation time | <50ms |
| Return change-over time | <50ms |
| Construction | ATS: Aluminium, with powder coated green gloss finish front panel. |
| Operating Temperature | 0-45°C |
| Storage Temperature | 0-50°C |
| Movement | ATS: Front handles |
| Net weight | 3 kg |
| Height | 59 mm |
| Width | 89 mm |
| Depth | 42 mm |
